

# Armin Van Buuren, Never Say Never

Stay with me  
Won't you wait for me  
Care for me  
And never say never

Love  
You're in my flesh and bone  
Where ever you go I'm home  
I'll follow you

You're in my head  
In my heart  
In my soul  
Like the air I breathe

You're in my head  
In my heart  
In my soul  
Like the air I breathe

Yes you're my favourite need

I'll follow you  
I'll follow you

When everything seems lost  
I'm stuck and falling down  
You will guide me home  
So promise me

You'll stay with me  
Won't you wait for me  
Care for me  
And never say never

No never say never again  
No never say never again
