

Armor For Sleep, The Wanderers Guild

i can speak when i want to
and pour my voice til it burns
through the core of my own throat
i'll speak until the demands gone

you should be downstairs with them
youre wasting your time again

listen im fine now
listen im fine now
listen im fine now (x2)

i dont want to talk right now
thank you for your concern

i could speak til the world ends
to make up for all that i left out
i'll register with the wanderers guild
and be nomad with a billion words

you should be downstairs with them
youre wasting your time again

listen im fine now
listen im fine now
listen im fine now (x2)

i dont want to talk right now
thank you for your concern

(whispering)

air conditioning you can stay quiet all night
air conditioning you can stay quiet all night

listen im fine now
listen im fine now
listen im fine now (x2)

i dont want to talk right now
thank you for you concern

listen im fine now
listen im fine now
listen im fine now (x2)

i dont want to talk right now
thank you for your concern
