

Armor For Sleep, Walking At Night, Alone

holding my breath walking at night with you
i get to hear your voice again
if this is a dream, maybe you'll stay with me
stay with me, please stay with me

this is where we met
we're back here again

don't leave me alone
don't leave me alone
i can't stand the way the world feels
when i'm walking alone
[x2]

can you please keep talking to me now
tell me all about your new friends
i know you don't think i can hear you now
but i'm listening, i'm listening

and this is where we met
we're back here again
(back here back here again)

don't leave me alone
don't leave me alone
i can't stand the way the world feels
when i'm walking alone
[x2]

love seems like a mess
when it won't let go of me
but when it's gone i don't feel
when it's gone i don't feel alive
[x2]

don't leave me alone
don't leave me alone
i can't stand the way the world feels
when i'm walking alone
[x2]

love seems like a mess
when it won't let go of me
but when it's gone i don't feel
when it's gone i don't feel alive
when it's gone i don't feel alive
