

Armor For Sleep, Wanderer's Guild

I can speak when I want to
employ my voice till it burns
Through the core of my own throat
speak until the demands gone

You should be downstairs with them
You're wasting your time again
Listen I'm fine now [x6]
I don't want to talk right now
Thank you for your concern

I can speak till the world ends
To make up for all that I left out
I'll register with the wanderer's guild
and be a nomad with a billion words

You should be downstairs with them
You're wasting your time again
Listen I'm fine now [x6]
I don't want to talk right now
Thank you for your concern

[whispering]

Air conditioning
you can stay quiet all night
