

Armor For Sleep, What To Do When You're Dead

I've let you down
Dragged you around
Wasted my money on messing my head up
I've watched you try
To figure me out
Take me back 'cause you're lonely
Save me
Even though we both know that you can't
Won't you save me
I'm gonna die tonight
I swear to god I'm gonna die
Can you save me?
Even though we both know that you can't
Won't you save me
I'm gonna die tonight
I swear to god I'm gonna die
