

# Armored Saint, Mutiny On The World

Crazy lines, seems you're always standing in  
Gets to your mind, you feel like living life in sin  
I know the struggle, but there's a remedy  
Revolt is your salvation just come with me

Mutiny, mutiny on the world  
Mutiny, mutiny on the world alright

You say the laws are getting harder to obey  
And the rules are being broken everyday  
You got the picture, and now your time has come  
Anarchy is open season for everyone

Mutiny, mutiny on the world  
Mutiny, mutiny on the world  
That's what we said, now we're ahead  
One more word out of you Mr. leader  
And you'll be eating lead

Mutiny, mutiny on the world  
Mutiny, mutiny on the world  
Mutiny, mutiny on the world  
Mutiny, mutiny on the world
