

# Armoury Show, Catherine

Half of her smiles  
Love feels as a fire

She went for me  
A sound lullaby

Shes old money  
Shes to grow  
I just don't care anymore

Oh catherine with your beautiful eyes  
Oh catherine with those waterboy cries

If I could be king  
Of the world who smiles

Oh catherine I'll tend you a fire

Burning down the bridges  
On and on and on it goes
