

Armsbendback, Countdown To The End Of The V

Hooray for hell if it's on the way
such a good time for a test

How should I do it
How should I go
Why would I do it
If you won't know

Hit me kick me if it's worth the stake
Here's a bottle make it great

How should I do it
How should I go
Why would I do it
If you won't go

And you gave me away
Help me out
Help me to stop
