

Army Of Anyone, Father Figure

Cold is your heart
when you're heart has been broken
Love is what's lost
when the loss leads to loathing
Pains what you've got
when you've got
got going
There is your food
And your food's
got you choking

Touch a good game
cause the rules are the same
I can't deny that we'll miss him
now that you've killed
it's a much bigger pill
cause larger words are missing

Say what you will
where's your father figure
Say what you will
Where's your father figure
now?

Spun is your head
and your head is unfolding
Crushed is your soul
and your soul is unloading
Torn are your thoughts
and your thoughts
make life hopeful
Gone is the cost
and the cost
is unhelpful

Touch a good game
cause the rules are the same
I can't deny that we'll miss him
now that you've killed
it's a much bigger pill
cause larger words are missing

Say what you will
where's your father figure
Say what you will
Where's your father figure
now?

Say what you will
where's your father figure
Say what you will
Where's your father figure
Say what you will
where's your father figure
Say what you will
Where's your father figure
