

Army Of Lovers, Planet Coma 3am

I shall lead you
Out of the darkness
For I am the light

They're coming
To take me away
I am the light

Dance dance dance
Well well well
Dance dance dance
Well well well

Well well well
I am the light
I am the light

Well well well
Well well well
Well well well
I am the light

Dance dance dance
Well well well
Dance dance dance
Well well well

I am the light
I am the light

Dance dance dance
Well well well
Dance dance dance
Well well well

Well well well
Well well well
Well well well

Well well well
Well well well well
Well well well well

Well well well
Well well well
Well well well
