

Arno, Bathroom Singer

She won't sit hard
All night
All night
She won't sit long
All night
All night
She won't sit tight
All night
All night
She won't sit right
All night
All night

She's a bathroom singer
Dingelingeling
She's a bathroom singer
Dingelingeling

I couldn't resist
What she wants
She set my heart
My heart on fire
She pulled me into
Her web her web
There was no way
To get back

She's a bathroom singer
Dingelingeling
She's a bathroom singer
Dingelingeling

She's got a body
Like a temple
She got the mind
Like a prison
She don't have to be afraid
Cause the men always pay

She's a bathroom singer
Dingelingeling
She's a bathroom singer yeah

She's a bathroom singer
Dingelingeling
She's a bathroom singer yeah
