

Arno, Lonesome Zorro

You've got the will, boy
You've got the power now
Ain't to use to run
Ain't to use to hide
Take a ride on night life
It's not a good life
And I hear you screaming inside

Oh boy
You're a lonesome Zorro
Oh boy
You're a lonesome Zorro

Don't act like a Don Juan
Making love like Peter Pan
And I hear you screaming inside

All day has been a high
The next day's been a low
And I hear you screaming inside

(Oh boy
You're the lonesome Zorro)
(Oh boy
You're the lonesome Zorro)
Oh boy
You're the lonesome Zorro
And I hear you screaming inside
