

# AronChupa & Little Sis Nora, Coco Song (feat. Fl...

Ding ding dong  
You know it won't be long  
Before I sing along  
To the coco song  
Ding ding dong  
You know we get it on  
When I sing along  
To the coco song

Cause I'mma do my thing  
I'mma do it for the bling  
Boogie woogie 'til I make your body swing  
Gonna bang it like a drum  
Gonna bang it 'til I come  
Everybody get it on  
Everybody get it on  
Everybody get  
Body get  
Body get  
Body get  
Body get  
Body get  
Body get  
Cause

I'mma go loco  
I'mma go loco  
I'mma go loco now  
Gimme the coco
