

# AronChupa, Little Swing (ft. Little Sis Nora)

Her knees, feet and elbow  
Work their thing into a mamba  
The scene starts to crumble  
To the sound of the drums  
Ow boy, there ain't no need to buy that diamond ring  
It ain't no big thing, just show her a little swing

No care about the bling bling bro  
There ain't nothing to do  
Ow man soon it's over and you'll  
Sing the walking blues  
So boy, there ain't no need to buy that diamond ring  
It ain't no big thing, just show her a little swing

When you're up  
When you're down  
And there ain't no love around

There's a place  
For you my friend  
There's a way  
For you my friend

Just show her some swing  
It ain't no big thing, just... show her a little swing
