Arrested Development

This is Headliner from Arrested Development, and I come here tonight to give thanks to the rain, so brothers and sisters please put down your umbrellas, you won't be needing those today...

Look to the clouds with the most rain coming from it, for without the rain there's no me and there's no you...

I said a drip-drop, a drip-drop, drip-drop

viva bum bum bum drip-drop ...

Let it rain, let it rain, let God's water feed me

The water of life, mentally rinsing me, physically drenching me

Most are frowning upon your arrival

but I need you for survival

And when you fall on my community

I run outside to properly

greet you

Let it rain, take my pain, I'm glad to meet you

Fill my eyes with a colorful rainbow

Every drop hits me, fills me

with an unmeasurable amount of security

knowing my God acknowledges me

as if each drop of rain is aimed toward me

my Lord: Thanks for life

my Lord: Thanks for life

It's raining revolution

It's raining solutions

It's raining revolution (7x)

I strutt strut thru the ghetto

The rain this time I feel is mental

The goal of this rain I feel is spiritual

Saw thru the eyes of the inflicted people

Their eyes are hard as a million thombstones

marked with the names of the millions of kin thrown

to the dust that gave them their colored skin

Fade to black is the scene they're embalmed in

The rain many nights have witnessed her

Receiving the sperm of a brother into a sister

and blessed that life to guaranteed existence

A conscious baby for a black resistance

I feel the rain enhances the revolution

and reminds us of a spiritual solution

and reminds us of an unnatural supernatural solu-lu-lu-lution

Lost between reality and psychology. 1990's mentality is described by the honorable thruth message which is 'True Knowledge Is So Priceless' which is so true...

Rain, rain, stay here ! Wow !

Love that power !

Brothers and sisters -haha-

Raise your hands up high and let me see the colors of your beautiful skin

Now the ceremony begins

Lord, let the heavenly rains cleanse

Run into your nearest rainbow

to grab, hold, to ride on

Each color, learn it ! The importance of each color...oh yeah

Let it rain (repeats till end)

haha

yes

oh yeah
