Login To You (another Version)  
You double-clicked my heart  
You've upgraded my life  
You booted up my hard drive  
Please be my cyber-wife  
You've logged into my soul  
You've downloaded my dreams  
Let's go to my chat-room  
And i'll show you what i mean

I wanna login to you  
So i can prove my love is true  
It's true i look quite stunning  
But i've got a huge iq  
I wanna login to you  
(login to you)

The password's incorrect  
My login was denied  
So i turn it off and on again  
To have another try  
I got a 21&quot; screen  
The colours'll make you dizzy  
My attachments are full of love for you  
But your modem still rings busy (beep beep)

And spin my cd-rom

So i can prove my love is true
