Login To You (another Version)
You double-clicked my heart
You've upgraded my life
You booted up my hard drive
Please be my cyber-wife
You've logged into my soul
You've downloaded my dreams
Let's go to my chat-room
And i'll show you what i mean

I wanna login to you
So i can prove my love is true
It's true i look quite stunning
But i've got a huge iq
I wanna login to you
(login to you)

The password's incorrect
My login was denied
So i turn it off and on again
To have another try
I got a 21" screen
The colours'll make you dizzy
My attachments are full of love for you
But your modem still rings busy (beep beep)

You@me.com
You can unzip all my floppy files
And spin my cd-rom

I wanna login to you
So i can prove my love is true
It's true i look quite stunning
But i've got a huge iq
I wanna login to you
So i can prove my love is true
It's true i look quite stunning (oh yeah you do)
But i've got a huge iq (192)
I wanna login to you
