

Arshenic, Monster

every step of the way you know I be there

if I could make u see
the world through my eyes
you would understand
that they all
wanna see us hurt
they all wanna see us on our knees
I know you're not fragile
I know you can fight but
your touch is all I can feel
stay here in my arms

I can feel it right i feel it fine
u know i'll be there
every step of the way
u know i'll be there

'coz I am strong
I am fearless
I will wipe your tears
you know I'll be there
I'll be your invincible
I am strong
I am fearless
I'll be yours
as long as you need me
I'll be the monster under the bed
monster under the bed

u know I'll be there
every step of the way

they won't see me bleed
I'm hiding my scars
I can take it all
and all my doubts are over now
all my fear is gone

'coz I am strong
I am fearless
I will wipe your tears
you know I'll be there
I'll be your invincible
I am strong
I am fearless
I'll be yours
as long as you need me
I'll be the monster under the bed
monster under the bed

I'll be your MONSTER
MONSTER

give me your best shot
give me your sucker punch
my body is numb
my soul is cold
I'm your messed up superhero
