

Art Paul Schlosser, I Hate War

I hate war-I hate war
I hate war-I hate war
I hate war-I hate war
I hate war

I hate murder-I hate death
I hate killing-with no one left
I hate violence-I hate greed
I hate war

I hate stupid-stupid people
Stupid stupid-stupid people
Stupid people
That cause war

Tell you once-tell you twice
Hey I don't care-if it don't rhyme
I hate war
I hate war

And I want to kill-everyone that kills everyone
Everyone that kills everyone-everyone that kills everyone
But I don't want to kill cause
I hate war
