

# Art Paul Schlosser, My Cat Was Taking A Bath

1. I was riding home late at one night  
When there in my house I saw a light  
And when I got inside  
Right before my eyes

Chorus:

My cat was taking a bath  
My cat was taking a bath  
It was a quarter to three  
And I don't believe  
My cat was taking a bath

2. Well maybe I had something to drink  
Or maybe I just couldn't quite think  
But my mom saw it too  
And she said: "Of course it's true."
