

Art Rush, Boy On Fire

Hey now
You were giving me that glance
That said
I'm lookin' for some company
I wanna warm myself
on a human fire tonight
We got talking
Streetwalking
You patted the seat next to you
Well get cozy
Get happenin'
Cause Art Rush is here tonight
You bad girl, You bad

Cause baby I'm a boy on fire
Gon' warm you up
Baby I'm a boy on fire
On fire tonight
Cause baby I'm a boy on fire
Gon' warm you up
Baby I'm a boy on fire
On fire tonight

You bad, girl, You bad
Gonna stay with you
Till there's nothing left to burn

I know we just met
But then maybe that's part of the charm
I'm not in the mood for old friends
I want some new meat
I know
You bad, girl
I know
You bad
Gonna stay with you till there's nothing left to burn
Oh, I know

I just got out of school
I got so much to do
I'm so young
I'm on fire
