

# Art Rush, Hi Boy/Cheated/Sorry Man

Hi boy  
Nervous giggle  
Nervous giggle

Here I am  
I have friends  
to introduce you to  
Hey there boy  
Gonna wiggle my cute self  
all over you  
But I already got a boy of my own  
So we mustn't  
No we mustn't  
No we mustn't touch

But we can hug  
And you can hold my hand  
We can be awesome friends  
Stay up on MSN  
I'll tell you all my secrets  
My desires and my history  
One by one we'll unpeel  
Your banana of mystery

Hey there boy  
You don't know what  
you got yourself into  
I will love you  
for what you are  
I wanna slap you up  
with lovely colours  
Till you're dead  
What a shame  
I got a guy  
I already got a guy  
But we can hug  
And you can hold my hand

Cheated with his girl one time  
Spent the night at her house  
We were lying on each other  
We were lying on the couch  
So confused she whispered  
She sounded sweetly hurt  
Felt her tongue begin to tickle  
Felt the lining of her skirt

Girl and I were obvious  
He watched us dance and flirt  
Whenever he walked past me  
I was Fonzie on that shirt  
that says "I fucked your girlfriend"

Lines and cracks and scars

Diving in and getting wetter  
Maybe if he'd beat me up  
I would've felt better

You have yours and I have mine  
But somewhere  
in this space and time  
You and I will make a lot of sense someday

It's a shame we had to cheat  
Love cannot be helped

Now roughly one year later  
Girl and I still kept in touch  
When all this had flown away  
I still loved her just as much

But I felt bad about him  
I ignored him when I saw him  
walking past  
I assumed he hated me  
So I ignored him when I saw him  
between class

Now roughly four months later  
Boy and I were early  
At Macquarie  
For a movie marathon  
Mutual friends  
were yet to show up  
So it was just the two of us  
Under the fluorescent sun  
It was just the two of us  
On the seats outside the movies

Hey man sorry man  
Sorry about that  
That's cool that's alright  
Don't worry about it

It's so refreshing to talk to you on this level for once  
You know I really would've felt better if you'd beat me up  
Yeah I really wanted to but she wouldn't let me
