

# Artful Dodger, Movin Too Fast

Ooh, you're moving too fast (fast, fast, fast, fast, fast, fast)  
Ooh, you're moving too fast and I don't think it's right  
I'm not giving you my love tonight  
Now, ooh, you're moving too fast  
Better sit back, relax  
I'm not giving up no love tonight

Made a sound, no understanding  
Boy, I know what you're demanding  
And it's time for me to let you know (mmm, mmm, mmm)  
Never be without hope to play this game  
Not too serious within the same  
Stop it please 'cos ain't no possibility  
Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right  
I'm not giving you my love tonight  
Now, ooh, you're moving too fast  
Better sit back, relax  
I'm not giving up no love tonight

Bad boy, bad boy, you're such a dirty, bad boy  
Beep, beep, uh-huh, a-ha, mmm, mmm

I do not see no-one to blind me  
Not my kind, nothing does that lose me respect  
Not only one night calls, oh, no, no  
Never be without hope to play this game  
Far too serious within the shame  
Stop it please 'cos ain't no possibility  
Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right  
I'm not giving you my love tonight  
Now, ooh, you're moving too fast  
Better sit back, relax  
I'm not giving up no love tonight
