Artful Dodger, Moving Too Fast

(Ah, uh) Ooh, you're moving too fast (fast, fast, fast, fast, fast, fast) Ooh, you're moving too fast and I don't think it's right I'm not giving you my love tonight Now, ooh, you're moving too fast Better sit back, relax I'm not giving up no love tonight

Made a sound, no understanding Boy, I know what you're demanding And it's time for me to let you know (mmm, mmm, mmm) Never be without hope to play this game Not too serious within the same Stop it please 'cos ain't no possibility Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right

Bad boy, bad boy, you're such a dirty, bad boy Beep, beep, uh-huh, a-ha, mmm, mmm I do not see no-one to blind me Not my kind, nothing does that lose me respect Not only one night calls, oh, no, no Never be without hope to play this game Far too serious within the shame Stop it please 'cos ain't no possibility Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right

Now, ooh, you're moving too fast

Ooh, you're moving too fast and I don't think it's right I'm not giving you my love tonight Now, ooh, you're moving too fast Better sit back, relax
