

# Artful Dodger, Think About Me

Did you think that  
You could turn away  
From the love I gave  
Did I really hear  
You say it's over  
Baby, you found  
Another lady  
After everything  
I did for you  
Did you think you  
Found the same  
In someone new  
There's only one me  
And you cannot replace me  
So tell me who you run to  
When times are hard  
And you need  
A love to turn to  
Now you know  
How it feels when  
Young hearts break  
Think about me  
When you're lonely  
Do you ever  
Think about me  
Think about me  
I'm the only  
Do you ever  
Think about me  
When you're feeling low  
Do you wanna call  
When you're on your own  
Does it hurt at all  
Do you ever  
Think about me  
Do you think about me

Heard that she  
Found another guy  
Heard he made you cry  
And you can't believe  
How much it hurt you  
You, thought she'd  
Be true, for you  
Now I hear that  
You want me back  
But you ain't really sure if  
I'll be down with that  
'Cause when you left me  
It didn't matter that  
You left me, lonely  
Tell me, how  
Does it feel  
To be the one who's hurting  
Now you know  
How it feels when  
Young hearts break

Think about me  
When you're lonely  
Do you ever  
Think about me  
Think about me  
I'm the only

Do you ever  
Think about me  
When you're feeling low  
Do you wanna call  
When you're on your own  
Does it hurt at all  
Do you ever  
Think about me  
Do you think about me

When you're feeling low  
Do you wanna call me  
When you're on your own  
Are you feeling lonely  
When you're feeling low  
Do you wanna call me  
When you're on your own  
Are you feeling low

Think about me  
When you're lonely  
Do you ever  
Think about me  
Think about me  
I'm the only  
Do you ever  
Think about me  
When you're feeling low  
Do you wanna call  
When you're on your own  
Does it hurt at all  
Do you ever  
Think about me  
Do you think about me

Think about me  
When you're lonely  
Do you ever  
Think about me  
Think about me  
I'm the only  
Do you ever  
Think about me  
When you're feeling low  
Do you wanna call  
When you're on your own  
Does it hurt at all  
Do you ever  
Think about me  
Do you think about me

Think about me  
When you're lonely  
Do you ever  
Think about me  
Think about me  
I'm the only  
Do you ever  
Think about me  
When you're feeling low  
Do you wanna call  
When you're on your own  
Does it hurt at all  
Do you ever  
Think about me

Do you think about me  
Think about  
Think about me  
Think about me  
Think about me  
When you're feeling low
