

Artful Dodger, What Ya Gonna Do

Drop the funk
Drop the bass
Headed, headed for me
Headed, headed for me
Headed, headed for me
Headed, headed for me

What you gonna do?
What you gonna say?
What you gonna do?
What you gonna say?
(Headed)
What you gonna do?
(Headed)
What you gonna say?
(Headed)
What you gonna do?
(Headed)
What you gonna say?
(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
What you gonna say?
(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
Drop the funk
Drop the bass

Lately I've been thinking
The way you're treating me
I've been wondering
What it's about
And there's no doubt
So when I leave
(What you gonna do?)
You're strong
No need to grieve
(What you gonna say?)
Here's my time to
No need to shout, I'm out

(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
What you gonna say?
(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
What you gonna say?

Eh, what you gonna do?
(Oh)
Eh, what you gonna say?
(Say)

Drop the funk
Drop the bass

Headed, headed for me
Headed, headed for me
Headed, headed for me
Headed, headed for me

Lately I've been thinking
The way you're treating me
I've been wondering
What it's about
And there's no doubt
So when I leave
(What you gonna do?)
You're strong
No need to grieve
(What you gonna say?)
Here's my time to go
No need to shout, I'm out

(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
What you gonna do
What you gonna say?
(Eh, eh yeah)
What you gonna say?
(Eh, eh yeah)
What you gonna say
What you gonna do?
(Eh, eh yeah)
What you gonna do?
(Eh, eh yeah)
What you gonna do
What you gonna say?
(Eh, eh yeah)
What you gonna say?
(Eh, eh yeah)
What you gonna say
What you gonna do?

You've been treating me so bad
You've been treating me so wrong
You've been treating me so bad

You've been treating me so bad
You've been treating me so wrong
You've been treating me so bad
