

# Artful Dodger, Woman Trouble

Bubblin' from the left  
Yes, we're bubblin' from the right  
Craig David and Robbie Craig  
Bubblin' all night  
Bubblin' from the left  
(Woman trouble)  
Yes, we're bubblin' from the right  
(Woman trouble)  
Craig David and Robbie Craig  
Bubblin' all night  
(Woman trouble)  
This is how we do  
(Woman trouble)  
(Woman trouble)  
(Woman trouble)  
(Woman trouble)  
(Woman trouble)  
(Woman trouble)

I feel fantastic, bombastic  
Ecstatically astounded  
How a girl can really lose her brain  
I feel surrounded, confounded  
Emotionally dumbfounded  
To think you've nearly  
Won your game, oh yeah

You said that I have  
Been gone too long  
Don't try to tell me  
That I was wrong (re-remix)  
You're totally wrong for me  
God, the hurt in my face  
Now I know the only thing to do  
Is to give myself some space  
I bet she never told you everything  
That drifted through her mind  
All the secret thoughts  
Well, I bet you never caught  
Her sliding with another man  
Such as I did, no, no  
I hate to see the way  
The finger points at me  
I'm at fault, I don't think so  
After all is said and done, girl  
You know you had your fun  
Why don't you leave it there

I feel fantastic, bombastic  
Ecstatically astounded  
How a girl can really lose her brain  
I feel surrounded, confounded  
Emotionally dumbfounded  
To think you've nearly  
Won your game, oh yeah

You said you had a girl  
With problems, tell me  
Did it lead to heartache  
And confusion (re-remix)  
Did you wake up in tears  
Not knowing where you are  
Did you get it in the ear  
Like I did, like I did

You said that  
I have been gone too long  
Don't try to tell me  
That I was wrong (re-remix)  
You're totally wrong for me  
God, the hurt in my face
