

Arthur Big Boy Crudup, My Baby Left Me

Yes, my baby left me, never said a word
Was it something I done, something that she heard?
My baby left me, my baby left me
My baby even left me, never said a word
Now I stand at my window, wring my hands and cry
I hate to lose that woman, hate to say goodbye
You know she left me, yes, she left me
My baby even left me, never said a word
Baby, one of these mornings, Lord, it won't be long
You'll look for me and baby and daddy, he'll be gone
You know you left me, you know you left me
My baby even left me, never said goodbye
Now, I stand at my window, wring my hands and moan
All I know is that the one I love is gone
My baby left me, you know she left me
My baby even left me, never said a word
Yes, my baby left me, never said a word
