

Arthur, Birthday Party

Too late it's my birthday
You're not here; you're not there
I called you to tell you
How much I care
Don't you hear me?
I need you near me
I've set a place for two
Your seat and my heart
Empty from the start
And all alone
Did you just forget me?
Not recall I breathe at all
I wrap my arms around me
Hold back the tears what's one more year
