

# Arthur, Self Evaluation

I'd like to tell ya  
What you want to hear  
I've made some changes  
In this past year  
It's so very simple yet  
I'm so confused  
My mind is so tired  
My body is bruised  
You don't know a thing if you're asking  
You don't have a clue if you never knew  
I'm cold I'm old  
I know I've been told  
One too many times  
One too many times  
Sit back relax  
No interest no tax  
One hand on my shoulder  
Two eyes on my soul
