

Article One, Still At A Green

Give me a sign
Give me a sign that you won't back down tonight
I'm doing fine
I'm doing fine just as long as we're alright
All you want's ahead of you
All you wanted could come true
From all I know, from all I've seen
There's nothing more impossible
There's nothing more impossible to me
From all I know, from all I've seen
There's nothing more regrettable
Than sitting still at a green
I think it's time
I think it's time that we make our move tonight
For once in our lives
For once in our lives we can take this chance and try
It's nothing like the dream
I had last night
That's fading as the time
Of day goes by
