

Artificial Joy Club, Cheeky Monkey

I'll give back your pogo stick as
Soon as you return my wasted time
And then I'll be fine
I'll feel so much more nostalgic
As soon as all my cheques are countersigned
I'll sure be fine
Are you panicking or just groveling?
I want to empathize
So how does it feel when the guilt bites into your veins?
How does it feel, you cheeky, cheeky little monkey?
How does it feel when your conscience burns in your brain?
I gotta know, how does it feel?
I've been there done that
Don't like re-runs
If I do I'll rent the video
And cancel your show
Does somebody need a big hug?
Call me up when I'm in Mexico
Spending your dough
Are you worrying or just sniveling?
I want to empathize

So how does it feel when the guilt bites into your veins?
How does it feel, you cheeky, cheeky little monkey?
How does it feel when your conscience burns in your brain?
I gotta know, how does it feel?
Are you shivering, are you anything?
I want to empathize
How does it feel?
How does it feel?
How does it feel, cheeky monkey?
I gotta know
So how does it feel when the knife is stuck in your back?
How does it feel you cheeky, cheeky little monkey?
How does it feel when your anger boomerangs you?
I gotta know, how does it feel?
How does it feel?
How does it feel?
How does it feel?
How does it feel?
How does it feel?
I gotta know
