

Artificial Joy Club, No Shame

I like to dream about the Beatles
I also ponder issues like Pete Best
I watch my poster fill up with dart holes
But I dream too much
I wonder if I'll ever be a hero
I wonder if I'll measure up to zero
But either way I'm really 10 feet tall
With no shame at all
I'd like to sing as good as Sinatra
And I used to think I could be an astronaut
I chuck my demo tape at the TV
But I think too much
I wonder if I'll ever be a hero
I wonder if I'll measure up to zero
But either way I'm really 10 feet tall
With no shame at all
No one hears me
