

Artillery, Thrasher

Are you ready to kill?
Can you take this mutha down?
Are you in for the thrill?
We're gonna demolish this town
Can you reach for the sky
And sing this song out loud?
Are you prepared to die
And go out with a shout?
Have you seen it all?
Do you feel you can face the heat?
Can you take the fall
Or do you not accept defeat?
Can you reach for the sky
And sing this song out loud?
Are you prepared to die
And go out with a shout?
Raise your hands
Thrasher!
Bang your head
Thrasher!
Scream it out
Thrasher!
Raise your hands
Thrasher!
It goes round and round
Get into the pit
It goes round and round
Get into the shit
It goes round and round
Get into the pit
It goes round and round
Get into the shit
Are you ready to kill?
Can you take this mutha down?
Are you in for the thrill?
We're gonna demolish this town
Can you reach for the sky
And sing this song out loud?
Are you prepared to die
And go out with a shout?
Raise your hands
Thrasher!
Bang your head
Thrasher!
Scream it out
Thrasher!
Raise your hands
Thrasher!
