Sleeping angels dream their eternal dreams  
They'll never rise again to save you from the evil  
Sleeping angels dreaming their dream

Spread on your hand Holy Book wide open  
When your hand crushes the seal  
This gonna be the last of the sunrsets  
When the sward of the hunger of death

When the earth is crying  
The sun is hiding its face  
Moon's bleeding in scarlet  
When the last seal is breaking up  
Our time is coming  
The sky is raining stars

When the earth is crying  
The sun is hiding its face  
Moon's bleeding in scarlet  
When the last seal is breaking up  
Our time is coming  
The sky is raining stars
