

Artur Kryvych, LOST

Can you help me?
I think I'm lost
all the way

Can you say to me?
What should I do
I think I'm lost
Are you see, I...

Do you see, I'm here
no one wants to haere
Do you see, I live here

I don't know
What I want
I don't know

...
Everything from life

Do you see, I'm here
no one wants to haere
Do you see, I live here
