

# As Animals, I See Ghost (Ghost Gunfighters)

I never see your crazy face  
Smiling, laughing, screaming my name (like that)  
Suddenly your eyes disappear in the night  
I run as fast as i can  
It's strange, it's strange, it's strange  
Where is the love that you have  
Instead, instead, instead  
As if it was missing from your heart  
It's more than i can bear  
It can't be real too strange for me

I see ghost gun fighters  
I see ghost gun fighters

I feel my body falling deep  
Nothing to catch me when i sleep  
The fever and hallucinations tonight  
Brought me to the eternal dark  
It's strange, it's strange, it's strange  
Where is the love that you have  
Instead, instead, instead  
As if it was missing from your heart  
It's more that i can bear  
It can't be real too strange for me  
I see ghost gun fighters  
I see ghost gun fighters  
I see ghost gun fighters  
I see ghost gun fighters
