

# As Fast As, Beakless Bird (Jerking Off In A Paper

You choose the place  
And you choose the time  
Before I step  
You draw the line  
Drinking wine from a paper cup  
So I can feel you  
Start to fall for a girl  
That ain't real  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge  
Hand full of strangers  
Who pass the time  
Mouth full of piss  
It's just so it's mine  
Poppin' pills from a paper cup  
So I can feel you  
Start to play with a dog  
That ain't real  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge  
Love what you've lost  
Til it bites your hand  
Do you want  
To another man  
Drinking off in a  
So I can feel you  
Start pray to a god  
That ain't real  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge  
I can't believe what a beakless bird  
You have been  
I saw the photograph  
Now I'm burning the bridge
