## Asa, Peace

Peace for the people who are gone Yekpa for the ones not yet born Oh, for the people who are here Yeah, yeah, for the people Peace for the people who are gone Yekpa for the ones not yet born Oh, for the people who are here Yeah, yeah, for the people I cry when I see that I am born I live when I see what I am to do 'Cause life is all about All you sitting and looking at me Just take one step at a time 'Cause if you jump you'll never believe The thorns of life Them are whining and waiting for me and you They make a brother say I want to run away Run away, run away Run away, we re ja si gbo Run away, run away Run away, we re ja si gbo Peace for the people who are gone Yekpa for the ones not yet born Oh, for the people who are here Yeah, yeah, for the people I cry when I see that I am born I live when I see what I am to do 'Cause life is all about All you sitting and looking at me Just take one step at a time 'Cause if you jump you'll never believe The thorns of life Them are whining and waiting for me and you They make a brother say I want to run away Run away, run away Run away, we re ja si gbo Run away, run away Run away, we re ja si gbo Mother, mother, hear your children cry Mother, mother, hear your children cry Mother, mother, hear your children cry

Mother, mother, hear your children cry
