

# Aselin Debison, Dylan's Song

christmas is a special time  
there's magic everywhere you go  
while santa's busy making toys  
tell me did you know

god he watches over me  
when i turn out the light  
and he flies with the angels  
who help me do whats right  
you know he's in my moms hands  
that tuck me in so tight  
when i fall asleep on christmas night

he dances on snowflakes that come down from the sky  
you know he feels the tear drops  
that run down from my eyes  
he's the one who guides my hands  
to teach me how to tie  
because he knows just how hard i try

every night he lights the stars  
for all the world to see  
you know his arms can reach as far as ????  
so when i sit up in santas chair  
gods on the other knee  
i cant see him but i just have to believe  
we cant see him we just have to believe

today in the town of david  
a savior has been born to you  
he is christ the lord  
this will be assigned to you  
you will find a baby wrapped in clothes  
and lying in a manger  
suddenly a great company of heavenly hosts  
appeared with the angel  
praising god and saying  
glory to god in the highest  
and on earth peace to men on whom his favor rests  
thats the true meaning of christmas
