

Aselin Debison, I fall in love with you

I fall in love with you
there's nothing nothing I can do
I fall in love with you
so i run and run and run to you
I'll find a way its never too late, I give you my word
I'll find the place its never too late for love
ah ah ah ah ah ahhhh
loving you, loving you
my love
I fall in love with you
there's nothing nothing I can do
I fall in love with you
so i run and run and run to you
