

Aselin Debison, Life

I learned alot today
That you've been teachin
Things that I don't want to know
I had so much to say
Thought I knew the answers
But that seemed so long ago and
I wish that there was another way
That didn't hurt so much.

[Chorus:]
I'm learning that I
Can say good-bye
I'm learning that I
can be strong inside
I'm ready, I'm ready
To get it right.
I'm learning about, life.

I've learned alot so far
It's got me thinking
What will happen down the road
Sure I'll make mistakes but I'll keep dreaming
It might come true you never know
And I wish there was another way
That didn't make me cry.

[Repeat Chorus]

I've got a long long way to go.
Where I'll go I don't know
But I'll be alright just you wait and see

I learned alot today
That you've been teachin
Thing that I don't wanna know.

[Repeat Chorus]

Life
I'm ready, I'm ready
To get it right
I'm learning about life.
