

# Ash, Angel Interceptor

I stayed in last night  
I wasn't feeling alright  
I knew it couldn't last  
I started thinking of you  
And I wished we could be dancing in the dark  
(Really slow)  
Oh, it's good to know  
Tomorrow you are coming home  
(I won't be so alone)  
I feel heaven in you, don't you know  
I feel heaven in you, don't you know I feel heaven in you  
Oh, it's true  
I can't let go  
I miss you, oh you know

Sitting alone  
With the TV on  
I fell asleep  
I was hoping you'd call  
And I dreamed we could be dancing in the dark  
(Really slow)  
Oh, it's good to know,  
Tomorrow you are coming home  
(I won't be so alone)  
I feel heaven in you, don't you know-  
I feel heaven in you, don't you know-  
I feel heaven in you  
Oh it's true, I can't let go  
I miss you oh you know

Angel Interceptor- Apollo 21- Uri Gagarin  
Flew into the sun  
The angels in heaven look down  
Where he lay  
Oh tomorrow you are coming home...  
I feel heaven in you, don't you know-  
I feel heaven in you, don't you know-  
I feel heaven in you  
Oh it's true, I can't let go  
I miss you oh you know
