

Ashanti, 2:35 (I Want You)

It's 2:35 in the morning
and i am thinking about you
i don;t know
if i am saying this
but i want you

Don;t wanna make a move too soon
Don't wanna ruin where this could go
I wanna think about it
Wana think about it
Wanna see what tshi could be
Wanna take it there
But i am kinda scared
Cause i don't know if we're ready

So when i think about it
Don't wanna waste no more time
Wanna be about it, hey
Cause ohh
My baby begging for you
Ain't no mistake
You the truth!
