

Ashanti, Don't Let Them (Album Version)

Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Some say that I am a fool to love ya, to love ya, yes
And some say that I am too dumb to know what's right for me
To know what's right for me
But only I could live my life and only I could feel my heartache
I never claim to know everything, but I know when your love's away
I can't sleep and I can't eat and can't live
And I can't breathe, can't breathe
So, don't make a fool of me, just love me, say
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Now they say that me loving you, will hurt me will hurt me, yes
And they say that it's a matter of time before you break my heart
Before you break my heart
But even when we're far apart, I'll always feel that you are with me
I hope and pray almost everyday that our love never goes away
'Cause I can't see where I would be without
Your love all over me, over me
So, don't make a fool of me, just love me, say
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Say that you want me, yeah
Say that you'll never leave me, yeah
You gotta tell me you need me and
Don't let them take your love away
Baby, you're all baby, you're all, all that I need, all that I need
Need in my life, need in my life, right here with me right here with me
Baby, you're all baby, you're all, all that I need, all that I need
Needin' my love needin' my love, right here wit' me yeah, yeah
Say that you want me
Say that you want me, babe, yeah
Say that you'll never leave me
And you'll never leave me, babe, yeah
You gotta tell me you need me
Tell me how you need me, babe and
Don't let them take your love away
And I will never ever take your love away
Say that you want me, yeah
Say that you'll never leave me ooh, you'll never leave, yeah
You gotta tell me you need me yeah hey and
Don't let them take don't let
