

# Ashanti & Ja Rule, Leaving (Always On Time Par

If you were me, what would you do  
Always a lie and never the truth  
Now as for me, Im movin on  
Youll always be, my baby  
Baby, I just gotta let you go for now  
Thought I could take it for a while  
Maybe youll make it back around  
Baby, I just gotta live my life for now  
Cant see me changin for awhile  
Hope I could make it back around  
Anything that I want, I could get it, boy  
You know you turn me on and on  
Thats why I switch my frame of mind  
Of bein' there when you call; always on time  
Im lookin to spread my wings and party  
Everything and for everybody  
Need my space, my time alone  
Its like our hearts dont match no more  
Still anything that you want, you can get it, boy  
You know I still got love for you  
(In court I plead the 5th)  
My baby  
Baby, I just gotta let you go for now  
Thought I could take it for a while  
Maybe youll make it back around  
Baby, I just gotta live my life for now  
Cant see me changin for a while  
Hope I could make it back around  
When you was cheatin  
You was probably thinkin  
I won't sense a thing,  
But love got funny ways of catchin up to lies  
Your lies can't look me straight in the eyes  
Im not surprised  
That you can hurt me, baby  
but why me, baby?  
Just let me breathe and  
I'll fly freely  
If you were me, what would you do  
Always a lie and never the truth  
Now as for me, Im movin on  
Youll always be my baby  
Baby, I just gotta let you go for now  
Thought I could take it for awhile  
Maybe youll make it back around  
Baby, I just gotta live my life for now  
Cant see me changin for awhile  
Hope I could make it back around  
Yo, yo  
Why in the world would you wanna leave me, girl  
Is it somethin i did  
you felt that wasn't right home  
I know a bitch can do bad on her own  
Youre not alone  
The way you hurt me, baby  
Shit why me, baby  
I be in pain a little  
But I live without you with the love  
it as long as long as it lets u go you feel the  
need to go bak to me baby who else would to hold you  
and sex you crazy  
R--U--L--E  
Come on back and holla at me  
Baby, I just gotta let you go for now

Thought I could take it for a while  
Maybe you'll make it back around  
Baby, I just gotta live my life for now  
Can't see me changin' for a while  
Hope I could make it back around  
Baby, I just gotta let you go for now  
Thought I could take it for a while  
Maybe you'll make it back around  
Baby, I just gotta live my life for now  
Can't see me changin' for a while  
Hope I could make it back around  
If you were me, what would you do  
Always a lie and never the truth  
Now as for me, I'm movin' on  
You'll always be, my baby
