

Ashanti, Joy

[chorus]

joy makes me horny, oh baby...
makes my vagina thorny, oh baby...
'cause the rose from my bush...
grows some thorns on my puss..

joy is when you get f**ked in a truck..
but they guy is so small you scream F**K
but you like it anyway..
'cause its free.. no pay..

[chorus]

joy is when your dog humps your leg..
you love it so much you scream hey!
not my leg- how bout my WHAT!?
or maybe even up the BUTT!

[chorus 3x]
