

# Ashanti, Love And Hate

Love and hate ~ashanti

Verse 1

when u say u love someone you should mean it  
but when you say you hate someone you should never  
love and hate both comes out of everyone at least once  
through their life time

Chorus 2x

Love may come early or late  
and hate should never be used forever  
cuz we all should have love instead of hate  
in our lives...yeah

verse 2

Love is something that comes and goes  
but all I really know is that it brings us together  
and love is what i'll have for you forever and ever  
Im hoping that you have love to give to me too

chorus 2x

Love may come early or late  
and hate should never be used forever  
cuz we all should have love instead of hate  
in our lives...yeah

verse 3

Hate should never be used against one another  
we should all forgive and forget  
and start lovin' each other  
from my heart to your heart we could be the start  
of a feature of love  
and the hating will adventually stop

Chorus 3x

Love may come early or late  
and hate should never be used forever  
cuz we all should have love instead of hate  
in our lives...yeah
