

Ashanti, My Lips Are Waiting

My eyes are searching
My hips are working
My lips are waiting
Take me to love
My skin's pulsating
My body's shaking
My lips are aching
Take me to love
Payal bajake
Gungru bajake
Tu je divana kar dar la
Churi bajake
Chutkhi bajake
Tu je divana kar dar la

India's the place for me
India sets you free
Shola badan hai mera
Badan pay sitare hai
Akho me hai bijiliah
Le bo meh shirareh hai

My eyes are searching
My hips are working
My lips are waiting
Take me to love
Oh! Whoa-oh!
Take me
Take me to love
To love
