

Ashanti, Rain On Me (Taz & Vanguard Remix)

Mmm...mmm...mmm...mmm...
Mmm...mmm...mmm...mmm...
Mmm...mmm...mmm...mmm...mmm...

I'm lookin' in the mirror
At this woman down and out
She's internally dyin'
I know this was not what love's about

I don't wanna be this woman
The second time around
'Cause I'm wakin' up screamin', no longer believin'
That I'm gonna be around

And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why

And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why

Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no

See, I don't want to hold my pillow late at night no more
I'm tossin' and turnin' and thinkin' 'bout burnin' down these walls
I-I don't wanna fuel this fire no more, no more, no more
See, I made up my mind 'cause I've wasted my time
Ain't nothin' here to keep me warm

And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I don't know why

And over and over I tried
Yet over and over you lied
Gettin' over and over my pride, yeah
I cried, I cried, I cried, I cried, I cried

Oh...oh...oh...oh...

Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no

I'm so tired of the rain
In my life
And I'm so tired of the strain
And now you're gonna lie

'Cause sometimes I can't sleep at night and
This here it just don't seem right and
Sometimes I just wonder why I

Don't know, let my life go by

'Cause sometimes I can't sleep at night and
This here it just don't seem right and
Sometimes I just wonder why I
Don't know, let my life go by

Oh...oh...oh...oh...oh...oh...

Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no

Rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe
Baby, just rain on me
Lord, won't you take this pain from me
I don't wanna live, I don't wanna breathe, no

Ooh...ooh...
Ooh...ooh...
La-la-la-la-la-la-la
La-la-la...
La-la-la-la-la-la
Ooh...ooh...ooh...
